AMBROSE is a leading brand offering best in class furniture Laminates. The company has attained the technology prowess and expertise It offers a variety of laminates having unique features like innovative designs and distinctive patterns. Keeping the needs of architects and designers in mind, we have created this folder to portray an assembly of modern and trendy laminates suiting the needs of a classic attic and even contemporary abodes.

A type of finish similar to lacquer, Ambrose acrylic laminate is non-toxic, anti scratch, reflective high gloss finish which give cabinets a smooth appearance. It is made of polymer fiber, available in a wide range of colours and will give a mirror-like look to your interior. It is durable decorative option as it leaves a reflective and glossy sheen on the surface of shutters which lasts for years, it comes in range of bright colours that uplift the aesthetics of your interiors.
